

# Parent Permission Form

Without parent/guardian permission, your student will not be allowed to participate in a planned portion of the science curriculum. An alternative assignment will be provided at an alternate location, which must be completed to earn replacement credit for the missed activity.

\* Required

1. **Email address \***

---

## **Video: The Martian (2015, rated PG-13)**

---

The purpose of using this video within science curriculum is to inspire students to develop practical engineering and problem-solving skills that can be used in a variety of settings and careers throughout our lives. To learn more about this video, its content and rating, please search for its title at <http://www.imdb.com>

2. **Parent/Guardain First and Last Name \***

---

3. **Student Last Name \***

---

4. **Student First Name \***

---

5. **I, the parent/guardian (named above), give permission for my student (named above) to watch the video (named above) in Mr. Powner's science class and to participate in educational activities related to its content. \***

*Check all that apply.*

Yes

No

6. **Add your initials as a digital signature, authorizing your responses provided in this permission form. \***

---

A copy of your responses will be emailed to the address you provided
